PROFESSIONAL EXPERIENCE

AI Marketing Specialist & Customer Service Assistant | Barbosa Orthodontics | May 2026-August 31, 2026

- Integrate AI-assisted marketing, social media strategy, and customer communication to support patient acquisition, engagement, and retention.
- Develop brand and content initiatives across digital channels while helping maintain a consistent, patient-centered customer experience.
- Apply AI tools and workflow automation to streamline recurring marketing tasks, communication, and operational processes.
- Support appointment coordination, patient follow-up, and service interactions, connecting marketing activity with the full customer journey.
- Contribute to growth planning through marketing analytics, customer insights, KPI thinking, and recommendations for CRM and personalized engagement.

Brand Manager - E-commerce & Digital Marketing | Ju Santo Store | 2009-2023

- Led brand positioning, e-commerce operations, digital marketing, SEO, social media, and customer relationship initiatives for an online business.
- Used customer behavior and campaign performance insights to refine content, engagement, and marketing decisions.
- Managed the end-to-end digital customer experience, connecting brand visibility, customer communication, online sales, and ongoing relationship building.
- Built long-term hands-on experience in entrepreneurship, brand management, customer strategy, and data-informed digital growth.

Volunteer | Cancer Hospital of Goiás | 2017-2020

- Supported patient-centered programs, community outreach, educational initiatives, and event coordination.
