CV · 2026

PROFILE

01

Responsible, integral and punctual professional with a background in Physical Education, Sports & Recreation, now complemented by an MBA and advanced certifications in Personal Finance and Stock Market Investment. Proven capacity for problem-solving, leadership, digital management and team coordination across educational and sports environments.

EXPERIENCE

02

2025
–Present

Financial Reporting & Accounting

CURRENT

Financial Analyst · Revenue Reporting · QuickBooks Expert

Independent financial reporting practice focused on short-term rental portfolios. Delivers monthly revenue tracking and allocation per property, transaction categorization and credit card reconciliation, billable expense management and audit-ready reporting in QuickBooks. Transforms raw financial data into clear, owner-facing reports that drive cost control and informed decision-making.

2025
–Present

Personal & Online Training

CURRENT

Independent Coach · Health, Performance & Lifestyle

Design and delivery of personalized fitness programs combining sports science, nutrition awareness and mindset coaching. Virtual sessions tailored to individual goals — from athletic performance to healthy lifestyle transformation.

2021
–Present

Airbnb Property Manager

CURRENT

Operations Manager · Inventory Control · Smart Devices & IT · Procurement & Facilities

End-to-end short-term rental operations ensuring seamless guest experiences and consistent property performance. Manages full inventory control and asset tracking across multiple units. Oversees smart home device setup, configuration and IT troubleshooting to ensure uninterrupted connectivity for guests and systems. Leads procurement of cleaning supplies, furniture and household essentials — including hands-on assembly, staging and spatial organization of units to meet brand standards and maximize guest satisfaction.
